Since the Awards Program began just 20 years ago, the Foundation has made tremendous strides in its mission to support orthodontic education and research, funding an aggregate of \$11.5 million, primarily for the development of junior faculty.

Additionally, the AAOF has created the Craniofacial Growth Legacy Collection Project (www.aaoflegacycollection.org), an unprecedented collaboration of major orthodontic collections to not only preserve a portion of these irreplaceable, legacy collections, but also to make these records available for academic research and clinical purposes.

AAO members, as well as Constituent Organizations, Component Organizations, and other members of the broader orthodontic community, are asked to pledge a minimum of \$5,000, over five years, with this restricted for the Research Initiative, the most recent AAOF campaign. This can either be a first-time pledge or a pledge increase.

- If you have never yet pledged a **Continued Commitment to the Specialty®**, now is the time.
- If you have pledged a **Continued Commitment to the Specialty®** previously, thank you and please consider supporting this as well. (If you have an outstanding pledge, this can be added onto the back-end of your pledge.)
