

Criteria for the Louise Ada Jarabak Memorial International Teachers and Research Award

Nominations for the Jarabak Award are to be received from AAO constituent societies no later than February 1 of the preceding year, i.e., nominations for the 2024 Jarabak Award are to be received by the AAOF by February 1, 2023.

The criteria for this award are:

- The nominee must be an orthodontist.
- A candidate should be either a full or part-time teacher of orthodontics in a graduate program or be a department chair in an orthodontic program.
- The person should also be associated with orthodontic research in some capacity, such as that of a primary investigator or a member of a group research program.
- The person shall have made personal sacrifices in his/her efforts to promote the orthodontic specialty.
- It is desirable that the person has published his/her work.
- Having made essay presentations at the constituent or national AAO level will be viewed more favorably.
- A nominee must have been living at the time of the nomination.
- Only nominations from Constituent Societies are considered.
- To be included in the materials submitted with each nomination is the nominee's curriculum vitae/resume which outlines such areas as orthodontic teaching/research accomplishments, orthodontic teaching/research positions held, orthodontic publications, and orthodontic scientific presentations.

The Jarabak Award recipient may be a citizen of any country.

The Foundation has determined that the monetary value of the award is \$2,000 annually and is to include both expenses and honorarium.
