

Rapid Assessment of Evidence Program

Through this review process, we hope that AAO members will gain research-based knowledge about products, and that manufacturers will be motivated to be consistent and accurate with their claims. AAO members will have access to reports from the expert panel.

1

Submit Request

If you have a product you'd like evaluated by our panel, visit AAOF website to access RAE form. Submit following instructions provided.

Research

2

A panel of experts will review the research materials provided by the manufacturer to determine if claims made by the manufacturer are supported.

3

Report

Results of the panel's findings will be published for all AAO members to access.
